

**Remarks**

Claims 1-7 are pending. Claims 8-9 are canceled in this Response. Claim 7 has been amended to correct a typographical error.

**Double Patenting Rejection**

A Terminal Disclaimer accompanies this Response to remove the obvious type double patenting rejection. Applicants note that the pending Office Action incorrectly identifies the parent patent – the correct patent number is 6,859,218.

**Information Disclosure Statement**

Applicants request that the Examiner consider the Japanese reference cited on the Information Disclosure Statement filed September 21, 2006 (the U.S. patent cited on the IDS has already been considered by the Examiner).

Claims 1-7 have been allowed. The case is now felt to be in condition for allowance.

Respectfully submitted,

/Steven R. Ormiston/
